SERAPHIN

*Neoclassicism redefined.*

*The sands of time often slip through our fingers in effort to recreate the novelty of yesterday. A longing for the unknown draws us forward as our nostalgic yearn continues to drive our everyday lives. Through the finest materials, individual designs and unmatched attention to detail, the Seraphin collection suspends those beautiful moments for us to enjoy once more. The neoclassical elements utilized by Seraphin awaken the essence of the past while remaining cutting edge and fashion forward. This balance, when properly fulfilled, provides a unique look and feel to the individual seeking to make a statement in the now, while paying homage to an often forgotten yesterday.*
